Commercial Launch Announcement for All-will-become-memories RPG

“CARAVAN STORIES”

Tokyo, Japan - Aiming Incorporated (TSE:3911) announces the commercial launch of a smartphone game “CARAVAN STORIES”.

The "CARAVAN STORIES" is a Fantasy RPG that is portrayed on Iyar where 6 kinds of species and various beasts coexist.

Players will travel with the magical fortress "CARAVAN", confronting and challenging the strong enemies awaiting them and the suddenly appeared enemy of the world "Enigma".

Moreover, players will be able to experience a variety of stories by choosing different species to start. Each character also has its own unique episode as well.

Players will be able to compete with other players in the "Tower Defense" type of contents such as "Colosseum" and "Duel". The characters grown up during the adventure can be

utilized to form up players' own decks.

The game supports both "auto" and "manual" play, which provides a variety of ways of enjoyments for either users who would like to simply enjoy the game or users who would like to manipulate by themselves.
