Tokyo, Japan - Aiming Inc. (CEO: Tadashi Shiiba) announces that its new battle action RPG game "Is It Wrong to Try to Pick Up Girls in a Dungeon?: Battle Chronicle" (hereinafter referred to as DanChro) has released its limited-time event "Thrilling Orario Summer! First Part: A Controversial Pool Date."

■ Hestia and Lili appear in swimsuits! Limited-time event “Thrilling Orario Summer! First Part” is now live!

The limited-time event "Thrilling Orario Summer! First Part: A Controversial Pool Date!" starts as of Tuesday, September 12, 2023 (JST). Characters such as Hestia will appear in swimsuits in this event. The event can be enjoyed through an original story that takes place in "Orario

Summerland” which has been newly constructed in the labyrinth city of Orario. Play DanChro now to receive Selas, upgrade materials, and Scene Cards obtainable from the event exclusive login bonuses and support login bonuses held during the event.

▼Synopsis

The gods suddenly decided to build a gigantic pool facility in Orario for the children suffering in the immense heat and especially to see some interesting action in swimsuits. The pool labeled Orario Summerland is a... no-men-allowed facility! Without knowing the rules, Hestia and Lili head to Summerland fantasizing a pool date with Bell, bringing along Mikoto and Haruhime.

■ Adventurer “Captivating Supporter: Liliruca Arde” & Assist “Goddess of the Beach: Hestia” are now here!

The two characters starring in the “Thrilling Orario Summer! First Part” are implemented into the game as Adventurer and Assist characters. “Captivating Supporter: Liliruca Arde” is the first Adventurer in the game to have a “field effect,” while “Goddess of the Beach: Hestia” is an Assist that can enhance your unit’s Water Attribute damage. Obtaining the characters does not

only allow players to set them into their parties but can also be enjoyed for viewing on the Home screen and have their own enjoyable character episodes so do not miss out.

■ What is "Is It Wrong to Try to Pick Up Girls in a Dungeon?: Battle Chronicle?"

DanChro is a new battle action RPG game of the anime series, where players can experience the stories and iconic battles from DanMachi along with the anime-like 3D graphics of the characters. Enjoy the exhilarating action of dodging and attacking in various ways, including the use of special moves from the series, in this simple yet profound "Battle" system. Go on an adventure with a party that you set up consisting of upgradable "Adventurers," "Assists," and "Scene Cards."

The game is fully loaded with contents such as a battle royale where everyone is your enemy and the autoplay combat, "Battle Arena," where setup will be key. Challenge the dungeon together with your favorite characters like Bell and Hestia!
