**Notice on the Acquisition of an Exclusive License for “火炬之光 (Torchlight Mobile)”**

Tokyo, Japan—Aiming Incorporated (TSE: 3911) announces the completion of an exclusive license agreement with Freejoy Technology (Chongqing) Co., Ltd., (Headquarters: Beijing, China, CEO: Jin Ri Hua, hereinafter known as “Freejoy”) for the Japanese version of the smartphone game “火炬之光 (Japanese name : To be announced)”.

Having accomplished in-house development and operations experience for numerous original game titles and knowhow on overseas game titles licensing, Aiming plans to expand and continue their licensing business further to deliver more titles.

**1. New Title Overview**

Developed by Freejoy, a subsidiary of Perfect World Co., Ltd., “火炬之光 (English name: Torchlight Mobile)” is a hack-and-slash\*<sup>1</sup> MORPG optimized for the smartphone and won two awards last year, each from two of the biggest global game conferences in the world: gamescom 2015’s “Best Mobile Game”, held annually in Germany and Electronic Entertainment Expo 2015’s “Best Mobile MMO or RPG”, also held annually in the United States. “火炬之光 (Torchlight Mobile)” is scheduled to be released in China in Spring of 2016.

An enjoyable action-packed smartphone game comparable to console games, in addition to the various growth elements and numerous skills in the game, players of “火炬之光 (Torchlight Mobile)”, through a number of multiplayer features, can cooperate to clear dungeons together or compete with each other. Also, a pet system, where players can obtain and nurture their pets in the game to support them in their adventures, will be available along with many other rich contents. Moreover, extensive help features will

also be available to allow new players to fully experience and enjoy the game with little effort.

\*<sup>1</sup>Hack-and-slash – is defined in this article as "a terminology used mainly in games which refers to a specific type of combat. This type of combat entails a player to strengthen their character by defeating enemies to gain experience and items in order to challenge stronger enemies."
