Commercial Launch Announcement for Encounter-Based RPG “ロストレガリア (Lost Regalia)” Android Version

Tokyo, Japan—Aiming Incorporated (TSE:3911) announces the commencement of the commercial launch of “ロストレガリア (Lost Regalia)” the Japanese smartphone version of the Chinese smartphone game “神魔大陸 3D” for the Android beginning October 24<sup>th</sup> (Saturday).

Since the commencement of its commercial release, “ロストレガリア (Lost Regalia)” has garnered over 260,000 pre-registered players. Also, the iOS commercial service

began two days ahead of the Android commercial service on October 22nd (Thursday).

With full 3D graphics rivaling console games set in a reverie-like world, “ロストレガリア (Lost Regalia)” is a fantasy RPG where players can play simultaneously with others in real time. Players can select one of five character classes, assemble a random party of up to 5 players and together journey through numerous quests or take on challenges against powerful enemies. “ロストレガリア (Lost Regalia)” also freely enables its players to choose between playing solo, or play strategically in cooperation with friends.

In addition to its simple controls on the smartphone, a fully-loaded help feature complete with an auto-movement function enables lost adventurers to find their way, and a “Mount Pet” , another helpful game feature where players can raise their own pet as a crucial partner for adventuring. From new players to experienced ones, anybody can now enjoy “ロストレガリア (Lost Regalia).
