Commercial Launch Announcement for Pleasant Real-Time RPG

“Crossnoah of the Sky and Earth” Android version

Tokyo, Japan–Aiming Incorporated (TSE:3911) announces the commencement of the commercial launch of “空と大地のクロスノア (Crossnoah of the Sky and Earth)” (Chinese title name “天天传奇”) for Android today.

“Crossnoah of the Sky and Earth” is a real-time RPG with high-quality full 3D graphics, which sets its story on a fantasy world called “Hydra Continent”. Players can enjoy the speedy and gorgeous action battles anytime with easy and simple controls by using 360-degree camera angles. In the real-time battles, on "which timing" players should use special attacks, such as skills or summons, is the key for them to win. Players' controls would change the situation of each battle dramatically; for example, activating skills to interrupt the enemy's attacks, or launching concentrate attacks right before the enemy activates some ultimate skills, etc. Simple controls, but the deep strategy of battle, are never simple.

The main characters' voices are provided by famous voice actors and actresses such as 櫻井孝宏 (Takahiro Sakurai), 子安武人 (Takehito Koyasu), 悠木碧 (Aoi Yūki), 石田彰 (Akira Ishida). Other characters' voices are also provided by well-known voice actors and actresses. Furthermore, the main theme music is composed by “植松伸夫 (Nobuo Uematsu)”, the master of game music industry.

In addition, “Crossnoah of the Sky and Earth” has generated over 240,000 pre-registered players and iOS version launched first on June 27th, 2016 (Monday).
