“Logres of Swords and Sorcery: Goddess of Ancient”
Seven Million Download Milestone Announcement

Aiming Incorporated (TSE:3911) and Marvelous Incorporated (TSE:7844) announce the milestone achievement of over seven million downloads for their co-developed and co-published MMORPG for the smartphone, “Logres of Swords and Sorcery: Goddess of Ancient”.

“Logres of Swords and Sorcery: Goddess of Ancient” is a casual and easy-to-play MMORPG that can be enjoyed in sessions as short as only a few minutes. A wide variety of job classes, thousands of items, and a command-based battle system are all wrapped in a gaming experience optimized for single-handed play that lets other players embark in endless adventures and chat with their friends in the most convenient way possible.

A new television commercial began airing nationwide in Japan on September 1st, 2015. In addition, billboard advertisements will be posted on the Hachiko Board located at the Japan Railway (JR) Shibuya Station from September 16th until the 30th. Traffic advertisements were also placed along the East Japan Railway Company train lines from September 21st until 27th. A massive poster billboard featuring Japanese actor, Kotaro Yoshida, and comedian Yu Sawabe (of the Japanese comic duo “Haraichi”) is a sight that cannot be missed. Furthermore, both Aiming and Marvelous continue to strive to increase their number of users and sales overseas.
