Traditional Chinese Version of “Logres of Swords and Sorcery: Goddess of Ancient” Now Available in Taiwan, Hong Kong and Macau

Tokyo, Japan—Aiming Incorporated (TSE: 3911) and Marvelous Incorporated (TSE: 7844) announce the official launch of the Traditional Chinese version of their co-developed and full-fledged MMORPG for the smartphone, “Logres of Swords and Sorcery: Goddess of Ancient” (“剣と魔法のログレス いにしえの女神”), through Garena Online Private Limited for the Taiwan, Hong Kong and Macau territories beginning October 22nd, 2015.

“Logres of Swords and Sorcery: Goddess of Ancient” , a light and easy MMORPG designed for play sessions lasting only a few minutes, started its service in Japan on December 2013 and from then ranked in the top 10 rankings on both the App Store and Google Play, obtaining a growing userbase and a steady increase in revenue since its launch. “Logres of Swords and Sorcery: Goddess of Ancient” has now achieved over seven million downloads in Japan alone as of September 2015.

As its first step overseas, “Logres of Swords and Sorcery: Goddess of Ancient” is now available in Taiwan, Hong Kong and Macau through a licensing with Garena Online Private Limited (Operated by Garena Taiwan Co., Ltd.), the largest internet and mobile platform enterprise in Southeast Asia. Headquartered in Singapore, Garena has offices in Taiwan, Malaysia, Philippines, Thailand and Indonesia. Garena also provides chat applications, mobile commerce and financial services on their platform business. As a game publisher, Garena provides game services in Taiwan and Southeast Asia through partnerships with leading global game developers and caters to over 15 million active monthly mobile users—demonstrating their strong game publishing capabilities.

Aiming and Marvelous, beginning with the market expansion of “Logres of Swords and Sorcery: Goddess of Ancient” in these three territories, will continue their efforts to increase the number of users and sales revenue.
