

Aiming Inc. Press Release

March 27, 2017

## English version of top grossing Japanese Mobile Game, "Logres: Japanese RPG" launches beta test on April!

Tokyo, Japan – March 27, 2017 - Marvelous Inc. and Aiming Inc. announces the beta test schedule for the English version of its top-grossing MMORPG title, Logres: Japanese RPG, in selected countries.

An anime-style MMORPG boasting over 8 million downloads in Japan, the English version of this epic online multiplayer JRPG is now ready to make its mark in the global mobile market. The CBT will be open to United States, Canada, Australia, United Kingdom, and New Zealand on April 2017.

Players who complete in-game events during the Beta Period will receive rewards during the commercial launch!

### About Logres

Logres is a turn-based RPG that's simple to use and very easy to play, even for beginners. Infinite equipment combinations, character customization, and multiple jobs let you create an avatar and playstyle that's unique to you. Its real-time coop quests and auto party system lets you fight with your friends in legendary encounters and save a world from chaos.

Discover the fantasy world of Logres, where magic, knights and goddesses come alive!

### ABOUT MARVELOUS INC.

Marvelous Inc. is a comprehensive entertainment company which develops online games, game software, amusement games, audio & visual content, stage and musical performances, and other products and services.
