Logres: Japanese RPG - Hit Mobile Game Makes English Version Debut

Tokyo, Japan – May 25, 2017 – *Logres: Japanese RPG*, a MMORPG with classic anime inspired art and over eight million downloads in Japan, is now available in English on iOS and Android. The mobile game is now available for download in United States, Canada, United Kingdom, Australia and New Zealand.

Logres: Japanese RPG features countless equipment, character and job customization options, allowing players to create unique avatars and play styles for masters and novice players alike. Additionally, players can team up with friends in real-time co-op quests and legendary encounters to save a world from chaos.

Unapologetically Japanese in style, the cutesy characters fit right in with the ever-growing otaku culture. Users in every region of the world can join forces and partake in a deep and immersive MMORPG experience.
