## ■ 2.5 Dimensional Seduction (Ririsa) Anime Introduction

The TV anime 2.5 Dimensional Seduction (Ririsa) begins with an ordinary high school boy, Masamune Okumura, who loves the 2D character Liliel. He meets a new student, Ririsa Amano, who loves Liliel and wants to "become her" through cosplay.

Okumura agrees to help Ririsa with her cosplay photoshoots. The series depicts the passion of cosplayers as they cosplay with Ririsa, their individual struggles, and their growth as they overcome various challenges, blending the real (3D) and fictional (2D) worlds in a heartfelt, youthful cosplay story.

## ● Characters

- Masamune Okumura (VA: Junya Enoki)

A second-year high schooler and leader of the Manga Club, he is a proud otaku. He has long loved the fictional character Liliel and calls her his "waifu." After Ririsa joins the Manga Club, he becomes her cosplay cameraman.

■ Ririsa Amano (VA: Kaori Maeda)

A freshman otaku obsessed with manga and anime. She's especially into the outfits girls wear in fiction. After attending her first event in junior high, she decided to express her love for Liliel through cosplay. Ririsa's cosplay is so top-level it astounded the Liliel-maniac Okumura.

■ Mikari Tachibana (VA: Akari Kitō)

Ririsa's classmate and ultra-popular fashion model. She's adoringly called "Mikarin" by her fans. As a childhood friend of Okumura, she's been in love with him for 10 years. But unfortunately, due to his infatuation with 2D, her feelings are unnoticed.

■ Nonoa (Noa)/Nokiel (VA: Sayumi Suzushiro)

A freshman with crippling social anxiety. She goes by "NONOA" when cosplaying and has garnered attention as one of the "Five Rising Stars of Cosplay" alongside Ririsa. Due to her lack of facial expressions when cosplaying, she was nicknamed "Ice Princess."

■ Aria Kasaki (VA: Sayumi Watabe)

An extroverted second-year gal with extremely high social skills. She began cosplaying recently, and plans to become famous to achieve a particular "goal." She's no otaku, though, and doesn't get many references the others make.

■ Mayuri Hanyuu (VA: M.A.O)

The new Home Economics teacher at Okumura's high school. She is popular among the students for being drop-dead gorgeous and easy to talk to. Her identity back in college is "Mayura," one of the Four Heavenly Queens of Cosplay.
